

PUBLIC LEDGER

FIFTH YEAR.

MAYSVILLE, KY., MONDAY, AUGUST 10, 1896.

ONE CENT.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can give his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Continued Calls

Upon THE LEDGER for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppers,

excursions, fairs, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEDGER will charge FIVE CENTS A LINE, and hereafter this will be the invariable rule. This, however.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for Business Local in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—42 times—the bill is \$15.25. When he finds it out there is a "kick" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, no "I'll tell you" notices will be accepted hereafter. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have friends visiting you, or if you are going away on a visit, please drop us a note to that effect.

Miss Alice Chisholm is visiting relatives at Ripley.

Miss Sallie Rains is the guest of Miss Louie Bruer of Paris.

Miss Mena Cabbish of Augusta is visiting relatives in this city.

Prof. Hayes Thomas and wife returned from a month's visit at Red Oak, O.

Mrs. Philip Yago of Covington is visiting relatives in this city and Aberdeen.

Colonel E. Robert Blaine of Cincinnati came up Saturday to remain over Sunday.

Miss Mayme Archdeacon has returned from a visit to Mrs. Miles McGrath at Lexington.

Mr. Henry Cobb and wife of Indianapolis, Ind., are visiting relatives in the Sixth Ward.

Mr. E. B. Daulton, Deputy County Clerk, left Saturday for a visit to friends at Louisville.

Mrs. George Beasley and children and Miss Mary Morris are at home after a visit at Flemingsburg.

Miss Amelia Wood and Miss Grace Bierbower returned yesterday from Niagara Falls and Toronto.

Colonel and Mrs. M. C. Russell, with their guests, Mr. and Mrs. Berry and daughter, leave today for an extended visit to the North-west. On their return trip Mrs. Russell will stop at Findlay, O.

Louisville has begun a war of extermination on swinging signs.

Peter Gray, colored, was fined \$10 and costs for disorderly conduct, and he is sampling the bill of fare at the Jail.

The funeral of the late J. K. Edgington took place yesterday afternoon. The P. O. S. A. attended in a body, headed by Haucke's Band.

Mr. Richard Apperson and Mr. Harlan P. Whitaker got into an argument Saturday at Covington. Somehow Mr. Whitaker's umbrella got broken on Mr. Apperson's head, and both gentlemen were quoted by a nearby Constable.

MAYSVILLE WEATHER.

What We May Expect For the Next Twenty-four Hours.

THE LEDGER'S WEATHER SIGNALS.

White streamer—FAIR;
Blue—RAIN or SNOW;
With Black ABOVE—IT WILL WARREN grow.
If Black's BENEATH—COLDER IT WILL be;
Unless Black's shown—no change we'll see

BLUE

The above forecasts are made for a period of thirty-six hours, ending at 8 o'clock to-morrow evening.

Keep cool and drink Soda Water at Chenoweth's Drugstore.

Congressman Pugh opened his campaign Saturday at Quincy.

THE LEDGER Saturday had a suggestive reference to one of Uncle Sam's Letter Carriers, which would have been all right if the Anna-nias fellow hadn't got in his work on the reporter.

A. T. Barkley, the watchman injured by the explosion at Swift's big packing plant at Kansas City, is supposed to be one of the Barkley's of Lewis county and a nephew of Mr. Henry C. Barkley of this city.

It is surprising the number of people who had despaired of getting Glasses until they tried P. J. Murphy the Jeweler's system of fitting the eyes, who now see as well as when they were young. No charge for Glasses unless they suit.

C. C. Bickel & Co., cigar makers at Louisville, paid off their hands in Mexican dollars, giving two for one. That is, a man whose wages was \$11 was given \$22 in Mexican dollars. It was an object lesson in free silver that opened the workmen's eyes, and they want no more of it.

The Democrats throughout the county on Saturday chose Delegates to the County Convention which will meet at the Courthouse this afternoon at 2 o'clock, back number time. The latter will select Delegates to the Congressional Convention, to be held at the Opera-house on Wednesday.

Did it Ever

occur to you that a Printer who sends you a paper 312 days in the year would like to have his pay on just one of those days?

Mr. Curtis Crann was in Maysville a short time yesterday afternoon. He is the cyclist who has started out to make a run of 10,000 miles in 250 days. He left Chicago 97 days ago and is up-to-date with his mileage, having gone over 5,400 miles. He is also to make his expenses en route, and this he does by selling his photographs. He came in from Lexington and left for Cincinnati.

Mr. J. Harry Richardson of this city and Miss Anna Morford of Covington will be married Wednesday, August 10th. The ceremony will take place in the latter city, the Rev. G. R. Frenger officiating. The bride-elect is a native of Maysville, a daughter of Mr. John R. Morford, and a lady of many charms of person and manner, whose return to this city will be welcomed. Mr. Richardson is among the most exemplary young men of our city, and he is to be congratulated on his choice of a companion for life. Mr. and Mrs. Richardson will at once go to house keeping here.

Six weeks ago I suffered with a very severe cold; was almost unable to speak. My friends all advised me to consult a physician. Noticing Chamberlain's Cough Remedy advertised in The St. Paul Volks Zeitung I procured a bottle, and after taking it a short while was entirely well. I now most heartily recommend this remedy to anyone suffering with a cold. Wm. KEL, 678 Selby Ave., St. Paul, Minn. For sale by J. Jas. Wood, Druggist.

LOUISVILLE TODAY! TOOK BOTH GAMES.

THEY WILL PLAY AT 3 P. M. SURE-GO OUT. KURNELS WON AT MT. STERLING.

The Colonels are coming! They will arrive at 1:30. And the best game of the season is on today at the Park.

The battery for Louisville will probably be Hermann and Dexter.

Newton and Kellner will be the pointers for Maysville.

Here's the opportunity, fellow-citizens, of your seeing a League game.

You've been clamoring for League Clubs all season, now go out and push your 50 cents for a grand stand seat.

The prices of admission will be 50 cents for men and 25 cents for ladies.

The rainchecks are good only for amateur games—that is, 25-cent games.

Don't let hot weather prevail and keep you away.

The Kurnels arrived home Saturday night from Mt. Sterling, they having played the second game in that city on Saturday morning.

This was the longest stay away from home at one time the boys have ever had, and they were completely worn out.

The sad feature of the last trip was the coming away from Knoxville and having to leave Sam Lever there on a bed of fever. It is good news, however, for the friends of Sam to know he was a great deal better when heard from last.

NOTES.

Managers Cox and Sutherland were in Cincinnati yesterday.

The boys leave for Lexington Wednesday, where they play two games of the League series.

Nick Young says sacrifice hits should be charged as "home at bat," but the League scorers say "nay." There you are.

McGann played his first game with Boston Saturday. Out of four times at bat he got a single, and there were only six made in the entire game on Boston's side. Mac will hold up his reputation.

League Umpire Mat Lindley, who umpired the two games with Maysville at Mt. Sterling, says the Mt. Sterling Club has the nucleus of a good team but needs some hard hitters. He likes the city and says it will give a winning club great support.

Manager Ed. Shinnors of Paris has signed Johnny Heileman, Henry Gast-right, Pot Reiman, Schrahl, Nie, Clark and Brady. The signing of the new players has caused a big shake up in the Paris team. Poage, Lucas, Gaines, McShane and another one of their "stars" were given their release Saturday. The new men will greatly strengthen the Parisians.

At the conclusion of the present season, if all goes well, Louisville and St. Louis may play a "Tin Cup" series, after the manner of the Temple Cup series, which is played by the first two clubs in the League. Such a series would not prove a bad thing for the Louisville and St. Louis players, as the attendance would surely be good. A neat sum will be divided among the winners.

The Wyandottes and Pikers played a very ragged game of ball at the Park Saturday afternoon. The Pikers were not in it from beginning to finish. The score stood 31 to 6. The features of the game were Easton's fielding and Yazell's batting. Batteries, Dunbar, Pollitt and Kenney; McNamara and Hassamer.

Captain Tudor would like for Hassamer to bring up the strongest team in the city for the next game.

The Kurnels won Saturday from Mt. Sterling.

At noon there came over the wire the news that Mt. Sterling, that club that Manager Isola told us last week was going "to show Maysville how to play the game," had gone down under the heavy slugging and splendid pitching of Shepard, the new acquisition from Ohio.

The score was—Maysville, 7; Mt. Sterling, 0.

So you see the fact of the matter was Mt. Sterling didn't know the game, and while they were trying to learn Maysville took two games from them.

The following is the standing of the clubs of the Bluegrass League:

Clubs.	Played.	Won.	Lost.	P. C.
Maysville.....	2	2	0	1.000
Lexington.....	2	2	0	1.000
Mt. Sterling.....	2	0	2	.000
Paris.....	2	0	2	.000

Miss Eunice Haffy is seriously ill at her home on the Fleming pike.

Governor Bradley it is reported has received a number of threatening anonymous letters, and the authorities are investigating the matter.

Managers of League Clubs should remember that they cannot sign a player member of any other club unless the managers of the other clubs consent.

William Slater and Perry Morgan, two Vanceburg Negroes boarded a freight to steal a ride to Greenup on the C. and O. At Quincy Conductor Miller put them off, when Slater drew a revolver and fired at the Conductor. The Negroes are in Jail at Vanceburg.

WILL GET THERE.

Colonel W. LaRue Thomas Will Be Nominated For Congress.

WARREN LARUE THOMAS.

The so-called Democrats and the ring-tailed and bewhiskered Populists of this Congressional District held Precinct meetings Saturday in the thirteen counties, to size up the man they would nominate for Congress.

Reports from all over the District are favorable to Colonel W. LaRue Thomas of this city.

Several counties have "favorite sons" who will be voted for on the first round, after which it is thought Mr. Thomas will be nominated with a Free Silver whoop.

The Convention will meet at the Opera-house in this city on Wednesday.

HAYSWOOD! FEMALE SEMINARY.

The fall term of this popular institution will open September 7th with a full corps of teachers. For catalogue and information apply to Principal, August 10.

J. S. HAYS, Principal.

With Nearly Forty Years

Of successful experience in the manufacture of Watch Movements and Watch Cases, and with the mechanical knowledge gained in the construction of special machinery and tools necessary for the manufacture of watches, we have reason to believe that no factory in the world is better able to produce a bicycle of superior design and workmanship. Our machinery is the finest and most modern in existence. Our workmen are trained to a greater degree of accuracy than is usually observed in any bicycle factory. Where is the bicycle factory that is capable of producing a machine made equal to a Dueber-Hampden Watch or machinery required to manufacture same?

These Bicycles, as well as a full line of the Dueber-Hampden Watches, can be seen at

BALLENGER'S.

Rev. Lemuel Penrod, who shot one man and cut another, went crazy in the Jail at Vanceburg.

Mrs. Laura Vanarsdell, wife of Mr. Isaac Vanarsdell, living near Flemingsburg, died this morning at 4 o'clock. Mrs. Vanarsdell was a daughter of the late Peter Lashbrooke and was a sister of Thomas and James Lashbrooke and Mrs. John Peters of this county. The funeral will be at 9:30 o'clock Wednesday morning. Burial at Flemingsburg.

My little boy, when two years of age, was taken very ill with bloody flux. I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy, and luckily procured part of a bottle. I carefully read the directions and gave it accordingly. He was very low, but slowly and surely he began to improve, gradually recovered, and is now as stout and strong as ever. I feel sure it saved his life. I never can praise the Remedy half its worth. I am sorry every one in the world does not know how good it is, as I do.—Mrs. Lina S. TRUE DEMOCRACY!

As long as there are 7,000 Democrats who have not bowed the knee to the false gods of Populism, these 7,000 constitute the Democratic party, though six million traitors say no.—Louisville Post.

The former Democratic paper of this city having joined the Populist party, THE LEDGER, the only Sound Money paper now printed in Maysville, cheerfully tenders this column for use of the old-time Jeffersonian Democrats.

When Will People Learn to Keep off Railway Tracks?

An awful accident occurred on the C. and O. Railroad Saturday, in which Mrs. Hestera Sellers, aged 36, residing between Oneonta and New Richmond Station, lost her life. About 12:30 p. m. she, with a six year-old child, was crossing the twelve-mile bridge, when the Eastbound F. F. V. came thundering along. Mrs. Sellers pushed the child on to one of the abutments and attempted to get out of the way of the train. The engine struck her, however, tearing the top of her skull off and breaking a number of bones in her body, death being instantaneous. The child was saved by her thoughtfulness.
